Welcome to the Marlborough Public Library

About your Library card

Your free library card allows you to borrow items from the library as well as search electronic databases, download e-books, videos, audiobooks, and use the library's computers for 120 minutes each day. Please have your library card ready when you visit or call so we may serve you better. You can also visit the library online at marlboroughpubliclibrary.org

How to Get Your Card

Adults: Bring a photo ID with your current address. If your ID doesn't have your current address, bring in a piece of mail that does. There is no cost to getting a library card.

17 years or younger: Need to be accompanied by a parent, who has a valid ID and proof of address. If you had a card before, let us know and we'll update your previous information.

Placing an Item on Hold and Borrowing from Other Libraries

If an item you want to borrow is checked out, or is not available at our library, you can request and borrow materials from other C/W MARS libraries and pick them up at MPL for free.

You may reserve it online at cwmars.org, or by contacting the library at 508-624-6900 with your library card number. Our **reference librarians** can also assist you in locating hard-to-find books, movies, and even journal articles.

When the item is available you will be notified via email, text, or phone call, based on the information you provided when you registered for a card.

Most Library items can be renewed once if no other patron has the item on hold. You can renew items online via the "My Account" feature or call the circulation desk at 508-624-6900. You will need your library card number and the item title to renew.
